THE NEXT BEST THING TO THE PINE FOREST FOR COLDS IS—

Dr. Bell's Pine-Honey-Tar which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuffed feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine-honey qualities are peculiarly effective in fighting children's colds. Remember that a cold broken at the start greatly removes the possibility of complications. 25 cents. No. 1.

HELPLESS AS BABY

Down in Mind Unable to Work,
and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work. I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your
